Sir,

+ to be returned

I have the honor to forward in original × letter
№ 1194 dated 20th Ultimo from the Superintendent
Bangalore Central Jail with its enclosure and to state
that the Superintendent reports that a Lunatic of
the Civil and Military Station has been sent to
the Central Jail for observation and requests in-
structions for his future guidance as it is the first
instance of its kind.

2. In this matter Mr. J. R. A. Thumboo Chetty
when Inspector General of Prisons submitted his
opinion to Government with this office № 827 ⊗ 831
dated 23d February 1895, but no final order seems
to have been passed.

⊗ S. No. 11.

3. In my opinion the proper place for such
persons is the Civil Hospital where suitable ac-
commodation for such case should be provided.
As however no such accommodation is available

in

in the present hospital, I would suggest that pending the building of the New hospital where arrangements for such people will be made, there is no other alternative than to receive them into the Central Jail, for it is manifestly unfair that a person only supposed to be a lunatic should be housed with those who really are of unsound mind.

To

The Superintendent
Central Jail, Bangalore.

Sir, I have the honor to send herewith one A. A. Keeffe who has been taken into custody by the Police as believed to be a lunatic whom his relations are unable to keep under proper care. As such persons are not admitted into the Bowring Civil Hospital and the Superintendent of the Government Lunatic Asylum refuses to receive them without a warrant for their detention and a medical certificate of actual lunacy, I request that you will be good enough to admit him to the Jail Hospital and keep him there until the medical officer is able after proper observation to give a definite certificate as

as to his lunacy or otherwise.

I have &c &c &c.
